It Pays to **Refinance**

Whether you have an auto loan, credit card or mortgage, the amount of interest you pay over the life of the loan can add up depending on your annual percentage rate (APR). For example, if your rate on an auto loan with your current lender is 7.5% APR, and you're making a monthly payment of \$320 on a \$10,000 loan, over the course of the loan you'll pay an extra \$1,160.67 in interest. If you were to qualify for a lower rate, such as 5.69% APR, for the same loan amount of \$10,000 and monthly payment of \$320, you'd only be paying \$849.01 in interest. That's a savings of \$311.66!

To learn more about refinancing a loan with HRCU and to see if you can lower your rate, get in touch with us today!

Keep Your Home in Tip-Top Shape

Spring has sprung, which likely means a few spring maintenance projects have sprung up around the house as well. Regular maintenance on your home and property is the best way to maintain property value and avoid any surprises along the way. With warmer temperatures, you're able to check some things off your to-do list so you can enjoy the weather to the fullest! Below you'll find six maintenance tips to keep your home in order this spring.

1. **Clean windows and screens**
2. **Clean out gutters**
3. **Give your roof a once-over**
4. **Replace your HVAC's air filters**
5. **Declutter your house and garage**
6. **Prune shrubs and bushes and remove weeds**

Owning a home is no small task, but if it's one of your dreams, Holy Rosary Credit Union is here to make your dream a reality. When you sign up for a Solid Foundations session, our home-buying experts will provide free advice and support to help first-time homebuyers like you get on the right track.

Best of all, Solid Foundations sessions are completely free and, when you sign up, you might qualify for down payment assistance! Sign up for a Solid Foundations session by visiting holyroarycu.org/solid-foundations.html, stopping by a branch or giving us a call.

Steer Clear of Payday Loans

Payday loan offers are popping up everywhere across the U.S., advertising easy-to-obtain cash. If your finances are tight, a payday loan may seem like a good short-term solution. But in reality, payday loans end up being a huge rip-off and are almost never the answer to your financial problems.

Easy to obtain and requiring no collateral, payday loans are set up to entice those in desperate situations. The initial fee for borrowing often seems small, but when looked at in the long run, a payday loan comes at a huge cost.

Besides paying sky-high fees, payday loan users often find themselves caught in a cycle, unable to break free from using the fast cash these loans provide. For example, if you are late on rent, a payday loan is a quick solution to get your landlord off your back.

But once you receive your paycheck, you have to pay back your entire loan, in one lump sum. This forces you to stretch your remaining income until the next paycheck. If your car breaks down in the meantime, you'll find yourself running back to the payday loan for more quick cash! It's easy to see how one can get stuck relying on payday loans.

At Holy Rosary Credit Union, we offer a safe solution to obtaining the cash you need. With a Better Choice Loan, we can help you get the funds you need quickly, and repayment will be made over time, instead of requiring one lump payment you can't afford. The APR will also be much, much lower than that charged by payday lenders.
