## How to Find a Free ATM

The most common fee happens when a member withdraws money at the wrong kind of ATM. If you are at a machine and you receive a message stating that you will be charged a fee, you are at the wrong kind of machine. Holy Rosary belongs to the ATM CO-OP Network. This allows you to use nearly 30,000 surcharge-free ATMs around the country, including ATMs at 7-Eleven, Costco, Price Chopper, Hy-Vee, many other credit unions and more! How do you find a surcharge-free ATM? There are several ways and you can pick the one that works best for you. These include:

- **Online:** Go to [www.HolyRosaryCU.org](http://www.HolyRosaryCU.org) and select the ATM CO-OP link near the bottom of the home page. You will be prompted to enter your location and the nearest ATMs will pop up.
- **Call the toll-free ATM locator:** Call 1-888-SITE-CO-OP to find locations using the toll-free ATM locator!
- **Use your GPS to LOCATE ATMs:** Take the CO-OP ATM Network with you when you drive. Download the database of more than 28,000 surcharge-free ATMs directly to your Garmin®, Tom Tom® or other GPS device\*. Go to [www.HolyRosaryCU.org](http://www.HolyRosaryCU.org) and click on the ATM CO-OP link near the bottom of the page. You can download the database from there. You'll never again be lost looking for a CO-OP ATM.
- **Use the App:** Using the CO-OP ATM\* Locator Mobile App you can find the ATM nearest you, or search for ATMs by specific address, city, state or zip code. Downloading the app is free, easy and there's no registration process. Just search 'CO-OP ATM' in the Apple App or Google Play Store. Then download, install and go!
- **TEXT Message to LOCATE ATMs:** You can also locate a CO-OP surcharge-free ATM via text message. Simply determine your location or area, then text the address, intersection or zip code to 692667 (MYCOOP).\* \* You'll receive a very prompt text response with the location of the CO-OP ATM nearest the location you requested. Please remember, do not text and drive!
- **Ask our staff:** We will be happy to provide you with a list of the free ATMs closest to you.
